Oliver B. Small Is Taken by Death

Oliver B. Small, resident of Redwood City for the past five years, passed away Tuesday at Palo Alto Hospital after a long period of declining health. He had been seriously ill two weeks.

Mr. Small, a native of Maine and a resident of that state until he moved here, was 72 years of age. With his wife, Ettie B. Small, he lived at 28 Birch St.

He belonged to the Norwood, Mass., lodge, Free and Accepted Masons.

Left to mourn his passing besides his wife are a daughter, Mrs. Cora E. Burns of 29 Clinton St., Redwood City, and two sons, Frank G. Small of New Jersey and Oliver C. Small of Massachusetts, and a brother, E. M. Small of Massachusetts.

'CHAMP' AND 'ANDY HARDY' TEAMED

Be sure to see Mickey Rooney and Wallace Beery for the first time together in "Stablemates," which opens at the Redwood Theater Sunday for two days, showing on the same program Joe Penner in "Mr. Doodle Kicks Off."

Fur farming in the United States is a comparatively new industry, most of the farms having been established less than 10 years ago.

Unity of Races Seen for 1939

Prediction that 1939 will see the unity of a race of people separated since 2500 B. C., when as nomad tribes they roamed the fertile crescent of Southwestern Asia, is made in the annual booklet of predictions of the Rosicrucian Order, AMORC.

Mrs. T. E. George, of 208 Vera Ave., district commissioner of the philosophic order, states that in a booklet prognosticating events for the new year, received from the Rosicrucian secretary in San Jose, is the declaration that: "The two oppressed peoples, the Jews and Arabs, wil lbe forced into a common accord. Their aggression and agitation will spread, and demands will be made upon the nations of the world for lands in which they can dwell and govern themselves, free from the interference and influence of other races and powers."

The booklet, it is stated, further presages: "Not long after 1939, the Asiatic powers such as Japan and sections of the new China, will make overtures to the Semitics to support them in a united racial war against the rest of the world. The Semitic peoples will refuse to collaborate."

These prediction booklets, says Mrs. George, are one of a series which have been issued for years annually, by the Rosicrucians, and which are founded upon graphs and charts of economic and human tendencies, and not upon any superstitious method or practice.

For the United States there is predicted an increase in exports of copper, steel and grain; a general improvement in business, and a definite drop in the exportation of motion pictures. Opposition to the Federal Housing Administration activities by private investors in home and apartment properties is expected to loom in 1939. A further and more liberal tariff arrangement between Canada and the United States, the broadest in the history of the two countries, is also said to be a development of the new year.

Italy, it is declared, will, as she becomes more economically sound, in late 1939 gradually pull away from close and dangerous alliances with Germany.

Mary Cuckler, Edward T. Ingram Exchange Vows

A very quiet ceremony at the home of Mr. and Mrs. Wesley Race Cuckler, 1026 Iris St., united their daughter, Miss Mary Cuckler, and Edward T. Ingram of Oakland in marriage Saturday. Judge Edward I. McAuliffe officiated in the 11 o'clock morning rites.

The bride, dressed in a gray tweed ensemble with black accessories and wearing a corsage of gardenias and lilies of the valley, was attended by her sister, Miss Marjorie Cuckler. The maid of honor wore a navy blue tailored suit, also with black accessories and a corsage of gardenias and lilies of the valley.

Robert Ingram was his brother's best man. Only immediate members of the two families attended the marriage, which was followed by a wedding breakfast at the Cuckler home.

The couple then left for a short honeymoon at Pinecrest. On their return they will establish a home in Oakland, where Mr. Ingram is in business.

The bride and groom both attended Castlemont High School in Oakland. Before her marriage, Mrs. Ingram had been training to become a nurse at Samuel Merritt Hospital in the East Bay city. The bridegroom is the son of Mr. and Mrs. John Ingram, also of Oakland.

Robinson Sentenced In Battle; James Hurt

MENLO PARK, Jan. 5—As the aftermath of a fist fight here, Earl Robinson, 40, Menlo Park laborer, last night was given a sentence of 60 days in the county jail, with sentence suspended on the condition he leave the city.

Meanwhile, Officer Tom Kearney was looking today for a set of bridgework belonging to the victim of the fight, Sam James, 50, Menlo Park, who is in the Palo Alto Hospital with a fractured jaw and lacerations.

A previous version of the fracas had James in the jail and Robinson in the hospital, but officers said that James was the victim of the beating.

The sentence against Robinson concluded a court hearing last night before Judge E. J. Ryan. The Menlo Park judge found Robinson to be the assailant in the fight which took place at his home Tuesday night.

THREE MORE SEQUOIA GIRLS ENTER RACE TO BECOME QUEEN OF R. C.

Competition became keen in the Redwood City Treasure Island Queen Contest today when three more girls entered the event, now under way, to select a queen to rule this year over local functions and represent this city at the Golden Gate International Exposition.

The new contestants:

Mildred Edith Nelson, 18, Sequoia High School junior student, daughter of Mr. and Mrs. J. V. Nelson, 164 Hillview Ave.

Betty Walford, 16, Sequoia freshman, daughter of Mrs. Mae Walford, 882 Main St.

Frances Vierra, 16, Sequoia freshman, daughter of Mr. and Mrs. F. Vierra, 727 Middlefield Rd.

Candidates already in the race are Loretta Skilling, 18, and Alice Trager, 17, both Sequoia students.

Meanwhile, the Redwood City Lions Club announced that it would sponsor a contestant. The Exchange Club so announced yesterday.

Tickets for the queens' contest Grand Ball were placed on sale today at the Tribune office, California-Broadway branch of the Bank of America, and with the contestants themselves.

Each ticket will count for 1000 votes for the contestant to whose credit it is placed. Admission to the dance, to be held Saturday, Feb. 11, is $1 a couple. The queen will be crowned at 10 o'clock at the ball.

Votes also are available at 34 stores, names of which appear in an advertisement in today's Tribune.

TRAINS START JANUARY 15

SAN FRANCISCO, Jan. 5 (AP)—Electric trains will start operations on the $76,000,000 San Francisco-Oakland Bay Bridge Jan. 15, according to C. H. Percell, chief engineer of the bridge.

12 JUDGES STUDY NOMINATIONS FOR COMMUNITY SERVICE AWARD

Into the hands of the dozen judges went nominations Wednesday for the Community Service Award, to be presented next Wednesday night at the annual Community Dinner to the person deemed to have performed the outstanding service to Redwood City during 1938.

The judges, composed of representatives of various civic organizations, are unknown to each other. Each will cast his ballot, sending it sealed to the office of the Tribune, co-sponsor with Redwood City Post 105, American Legion, of the award. The ballots then will be canvassed Monday night by all the judges, who will meet for the first time.

If one nominee receives seven or more votes—a majority of all—he will be declared unanimous winner of the award. Otherwise, further ballots will be taken.

Announcement of the winner then will be made in the Tribune on Tuesday.

Meanwhile those desiring to attend the banquet were urged today to secure their tickets. Members of the Lions, Exchange, Kiwanis, Woman's and Business and Professional Woman's Clubs, Veterans' Council, and junior and senior chamber of commerce may obtain tickets, at $1 each, from secretaries of their organizations. The public may buy tickets at the chamber office, 812 Middlefield Rd., at the Tribune, at any bank, or at the San Mateo County Title Co. office.

Slight Changes Made in Bus Line

Slight changes in the routes of the Redwood City Bus Line, effective Thursday were announced today by Operator Walter Vandervort.

On the "A" route, instead of returning east towards the business district on Whipple Ave., the bus will come in on Arlington Rd. as far as Duane St., thence on its regular route.

On the "B" route, instead of coming back to the business district all the way on Roosevelt Ave., the bus will come in on Roosevelt to Ebener, then go to Redwood Ave., and on in to Five Points on Redwood, thence to Middlefield Rd.

Vandervort said that he also was eliminating sale of round trip fares at 15 cents except to commuters, but would continue to sell the 14-ride cards, usable within a month, for $1.

Substantial Gains Recorded by Bank

Enjoying one of the most profitable years of operations in its 70-year history, the San Francisco Bank in 1938 witnessed a substantial increase in assets, deposits, loans, and undivided profits.

The annual statement, released this week by Parker S. Maddux, president, shows that the San Francisco Bank had total assets on Dec. 31st of $177,629,675, an increase of $4,992,311 for the year.

Conducting an active savings program during the year, through its Treasure Island Club, the bank added $4,653,751 to deposits, which now stand at $161,862,873.

Continuing to take a major part in federal housing financing throughout Northern and Central California the bank in 1938 increased its loans on real estate to $81,026,324 as against $78,062,288 at the beginning of the year.

Holdings of U. S. Government securities were increased $7,909,741 to a total of ....65,634,358. Municipal bond holdings were reduced to $8,742,879. Cash holdings are virtually unchanged from a year ago, amounting to $15,698,495.

Demotion Is Urged For Paul Perussina

Demotion of Paul Perussina, Burlingame resident and suspended captain of the State Highway Patrol in San Mateo County, to the rank of sergeant was recommended i nSacramento Tuesday by E. H. Christian, examiner for the state personnel board.

Perussina, who was heard by Christian on nearly 30 charges of inefficiency and discourtesy to motorists, has charged that Insptr. Andrew Ford, who made accusations against Perussina, interferred and prevented the patrol captain from carrying out his duties.

Following study of the minutes of the various sessions of the hearing on Perussina's charges, Christian announced:

"I will recommend that Mr. Perussina be retained by the highway patrol, but that his rank be reduced from that of captain to that of sergeant."

The recommendation will be sent to the state personnel board, which will act on the matters. The examiners' recommendation generally are followed.

Illegal Liquor Sales Banned by Reilly

"War without quarter" on "sale of liquor to minors, to those who have already over-indulged, and to those whose family life is broken through its inordinate use" was declared Tuesday by George R. Reilly, newly-elected State Board of Equalization member as he was sworn in at the State Building in San Francisco.

While promising action on liquor sale abuses, Reilly promised co-operation to his fellow law enforcement officers and to those liquor dealers and manufacturers who observe the law.

"I stand on the platform of decent, sound American fair play, justice and honesty," he concluded.

Wild pigeons are here in numbers and many are to be seen on the Flood estate. The pigeon is a non-game bird and cannot be shot. Years ago at this time the birds came here in large flocks, destroying crops, and were a menace to the farmer. In late years only a few flocks are seen, But few robins, also non-game birds, have made their appearance. The farmers consider the scarcity of the bird at this season as an ill omen for a dry season.

Marshall To Aid Shipyard Plans

County Engineer U. S. Marshall, who retired officially Tuesday, appeared at his office that morning to congratulate M. A. Grant, his successor, and to wish him all success during his term of office. The two met on the sidewalk outside the office to shake hands.

Marshall disclosed that he has been retained by a group of San Francisco, Los Angeles and San Diego capitalists to plan a Pacific Coast shipyard for the construction of U. S. merchant marine vessels. The yards would probably be located near Los Angeles, Marshall said.

For the time being, his offices will be in San Francisco and he will continue to live in San Mateo County.

Grid Coach Offside, Officer Calls Foul

John C. (Chuck) Winterburn, 37, football coach and assistant to Glenn (Pop) Warner at both Stanford and Temple Universities, faced a post-graduate course in open highway driving today. "Referee" Frank Chevalier, member of the State Highway Patrol, called Winterburn "out of bounds" and blew the whistle Tuesday on Bayshore Hwy. near Mills Field.

Winterburn attempted to explain to the officer that he had been doing gratuitous deeds on behalf of the Shrine East-West football game, and at the moment was engaged in taking a member of the East team to see Stanford University.

Officer Chevalier was not impressed. He said Winterburn had a husky young man wearing a football sweater in the car with him, but he did not recognize the player.

Winterburn was cited for third lane driving and instructed to appear before Judge Wade H. Clay in South San Francisco Jan. 12. Winterburn gave his home address as 1325 Valparaiso Ave., Menlo Park.

OLD FASHIONED RICE PUDDING

Wash ½ cup uncooked rice well; drain. Place in greased baking dish; add 4 cups milk, ¾ cup white or brown sugar, ½ tsp. salt and ½ cup seedless raisins; mix well. Add cinnamon or nutmeg to suit taste. Bake in slow oven (275° F.) about 3 hours or until rice is tender and mixture is thick and creamy; stir occasionally during first hour of baking to prevent rice sticking to bottom. Serves 6 to 8.

STATE RECREATION CENTER FOR '39!

Announced today by the California State Commission are plans for the Recreation Building and Field on Treasure Island next year. Inaugurating a forward step in Exposition planning, the attractive structure pictured above marks the first presentation of a complete recreation program. Two hundred feet long and half as wide this distinctive building will comfortably house a small theatre, a hobby and craft exhibit room, junior museum, library, reading room and extensive exhibits showing recreational facilities provided by California municipalities and departments of the State of California. Adjoining will be an athletic stadium with all facilities for outdoor sports. A model children's playground and an ideal backyard arrangement for recreation, suitable for any home owner, will be demonstrated on grounds adjacent.

Historic Store, Once County's Seat, Is Burned

BELMONT, Jan. 3 — The old Caldwell building, one of the oldest structures in the county and once the courthouse when Belmont was the county seat many years ago, was gutted by fire last night by two separate blazes that indicated incendiarism, Fire Chief Fred Johnson reported.

First blaze in the building, which is located at the intersection of Ralston Ave. and the old county highway, occurred at 9 o'clock, and destroyed a large part of the interior before being quenched by the Belmont fire department.

Again at 2:10 a. m. the department was called out to extinguish a fire there, Chief Johnson said, in pointing out that circumstances indicated that someone had set both fires intentionally.

The entire interior of the building was burned out, but the walls were left standing. A radio was the only piece of furniture in the building, which formerly was owned by Clayton Caldwell, involved last year in a bookmaking charge. He now resides in another part of the country, but deeded the property to his nephew, James Caldwell before leaving last Fall.

Chief Johnson said that investigation of the blaze has been turned over to the National Fire Underwriters Co.

Trial of Beichert Is Delayed for Week

Trial of Richard Beichert, 19-year-old North Fair Oaks youth charged with the murder of his father, William J. Beichert, was postponed to Jan. 17 today by Judge A. R. Cotton at the request of Dep. Dist. Atty. Louis B. Dematteis.

Dematteis told the judge that his office had a number of trials scheduled for the week of Jan. 11, original trial date, and it would be "virtually impossible" to try the case on that date.

Defense Attorney Edmund Scott agreed to the continuance after a short conference with his client in the courthouse. Scott said he expected the trial would take at least a week.

Car Crashes Mar New Year's But Fatalities Lacking

San Mateo County's traffic fatality toll for 1938 ended at 65—where it had stood since Christmas Day—as New Year's Eve passed without another fatality being recorded on Peninsula highways.

Several persons were injured in New Year's Day accidents, however, six in one crash.

When George Crowe, 32, Santa Rosa, failed to negotiate a turn on Junipero Serra Blvd. near Colma at 12:40 a.m. Sunday, his car turned over three times, injuring himself and five other persons. Crowe suffered bad body bruises and possible internal injuries; his wife, Agnes, incurred badly injured legs; Ruth Wadenbach, 30, San Francisco, incurred serious cuts and bruises; Edward Hobold, 32, San Francisco, a badly crushed left foot which, it was expected, would have to be amputated; Eva Brocker, 24, and her husband, Gus, 32, both of San Francisco, cuts and bruises. All were treated at Junipero Serra Hospital.

Mrs. Della Olsen, 28, San Francisco, incurred a foot injury when cars of her husband, Jack L. Olsen, 31, and Clifford J. Anderson, 24, San Francisco, collided at 2:15 a.m. Sunday on El Camino Real near Colma, the highway patrol reported.

Beautification Of Creek Urged At Civic Center

Redwood City's Clean Up Campaign Committee which served during 1938, tendered its final recommendations to the city council Tuesday night, urging that an entirely new committee be appointed by city officials to serve during 1939.

A lengthy letter directed to members of the council, and signed by Chairman Paul E. Lowe and Secty. Frank A. De Patta, expressed thanks to the city council, City Manager Charles L. Dimmitt, the press and merchants and property owners who "co-operated in the elimination of eyesores throughout the community during the year."

Councilman Evans A. Fletcher suggested that the entire committee be reappointed for 1939, but Chairman Lowe, speaking for the members, declined and asked that a new group be named. Upon suggestion by Councilman Paul A. McCarthy, it was decided that the city will contact all service clubs in the community and ask that they select delegates for the body to replace those now serving. Members who are willing to serve again will be retained, under the suggestion.

CREEK APPEARANCE HIT

Several closing recommendations by the committee were headed by a suggestion to beautify the portion of creek running from Middlefield Rd. behind the site of the civic center now being constructed.

Frank Thompson, who presented the suggestion, pointed out that the beauty of the new center would be marred by the sight of the muddy creek in its present condition. He suggested construction of a rock bulwark to improve the appearance of the creek banks, and the possible installation of tide gates at some point on the creek so that the creek could be kept flooded for a major portion of the time, thus concealing the mudbanks.

City Manager Dimmitt was directed to investigate the possible costs of improving the section of the creek bounding the civic center site, and to make a report on the problem at the next meeting of the council.

ACHIEVEMENTS LISTED

In its letter, the cleanup committee pointed out that during the year 34 dilapidated houses, garages, barns and sheds had been razed; a greater number of permits to repair and remodel buildings and homes had been issued than in any other year, and that more dwellings had been painted than in any previous year.

"There have also been numerous reports to the committee of the planting and trimming of shrubs, the removal of fences and posts from vacant lots, the cleaning of yards, both front and rear, the removal of rubbish from vacant lots and the repairing and installation of sidewalks," said the letter..

In urging that a new committee be named, the retiring group said:

"The fact that our city is one of the older cities of the Peninsula makes it almost imperative that a continuous clean-up drive be conducted each year."

Johns-Manville Buys Massachusetts Plant

Controller Kane Plans To Give Hollerith Trial

Controller Thomas J. Kane, who took office this week, announced Tuesday that his only immediate appointment would be that of George Filbert as his chief deputy.

Kane also disclosed that his office will make full use of the Hollerith bookkeeping machine for a three-month trial period.

"The county has an unexpired contract for the use of that equipment," he said. "The only way to find out if it can do our work efficiently is to give it a trial. That I propose to do."

It was learned that the Service Division has been working for nearly a month on the task of setting up the controller's accounts for the machine.

SPONTANEOUS BLAZE QUICKLY EXTINGUISHED

The Sequoia Hotel, Main and Broadway, was threatened by fire at 10 a.m. Tuesday morning when a blaze, apparently caused by spontaneous combustion, broke out in a janitor's closet in the lobby.

Fire Chief Mark E. Ryan said that a barrel containing rags and papers apparently was the source of the flames, which caused little damage but threatened to set the entire structure ablaze. Approximately $100 damage from smoke and water occurred.

The closet, in which were kept janitor's equipment, bundles of papers and other articles, is in reality a shaft extending all the way to the roof, and intended for use as an elevator shaft, Asst. Chief Joe Lodi said. Doors on all the floor levels open into the shaft.
